

“The call to serve the poor is an invitation to happiness” —Fr. Ho Lung

Are you up to the challenge?

“ Ask Jesus what he wants of you and be brave. ”

Come to Jamaica and immerse yourself, with the Missionaries of the Poor! During a week of serving the most marginalized; physically & mentally handicapped children & adults you will see the face of Christ. We are very excited to invite you to discern joining our St. Gall group for this amazing encounter with the Social Gospel of our Catholic Tradition.

This pilgrimage will not be a vacation or a leisure trip, rather it is a journey of the heart, an opportunity to enter more deeply into the mystery of Christ. For this reason we will stay in the guest quarters of the monastery of the Missionaries of the Poor in Kingston, Jamaica. We will follow the worship schedule of the brothers, including daily Mass, living simply and serving alongside the brothers in a variety of ministry centers where they serve the poorest of the poor.

You must be open to the Holy Spirit leading, open to the people we will meet and serve, the ways they differ from us and they ways they represent Christ suffering on the Cross. We will be servants to one another and those that we meet along our path. We will conclude the service portion of the week with a day-long retreat in order to reflect and integrate our experiences. You may read more about the brothers and sisters of the Missionaries of the Poor at: www.missionariesofthepoor.org. Also, check them out on E.W.T.N.
